

Dr. F. Javier Aragón Sánchez
General Surgeon
Department Surgery, Diabetic Foot Unit
La Paloma Hospital, Las Palmas de Gran Canaria, Spain

UNIDAD PIE DIABETICO
Las Palmas

Present position

Dr. F. Javier Aragón Sánchez

General Surgeon

Head of Department Surgery

Diabetic Foot Unit

La Paloma Hospital

Las Palmas de Gran Canaria

www.piediabetico.net

Academic education

Dr. F. Javier Aragón Sánchez was born in Sevilla (Spain) on August 10th, 1963.

He graduated in Medicine and Surgery at the Medical School of the University of Sevilla (1984-1990).

He specialised in General Surgery (1997)

2009 PhD University of Las Palmas de Gran Canaria. “Factors conditioning the outcomes of conservative surgery in cases of Diabetic foot osteomyelitis” obtaining the maximum mark (Sobresaliente por Unanimidad Cum Laude).

Clinical position

From 1/April/1997, I am the head of department of General Surgery and Diabetic Foot Unit in Las Paloma Hospital, Las Palmas de Gran Canaria, Gran Canaria, Spain)

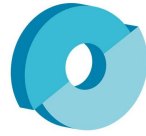

Achievements and positions

- He founded in 1999 a specialized Diabetic Foot Unit in the Paloma Hospital. Las Palmas de Gran Canaria (Spain).
- Scientific advisor on diabetic foot problems of the endovascular diagnosis and therapeutic group (Hospiten, Tenerife)
- PhD in 2009 at the University of Las Palmas de Gran Canaria with the thesis entitled “Factors conditioning the outcomes of conservative surgery in cases of Diabetic foot osteomyelitis” obtaining the maximum grade.
- Chairman of the Interdisciplinary Diabetic Foot Study Group (Spain)
- Chairman of the First (Madrid 2003, Spain), Second (Sevilla 2005, Spain) and Fourth (Sitges 2013) National Interdisciplinary Diabetic Foot Meeting. Vice-chairman of the Third National Interdisciplinary Diabetic Foot Meeting (Toledo 2007, Spain).
- Coordinator of the yearly course of Diabetic Foot of the Complutense University (Madrid) from 2000-2014.
- Founder member of the Spanish Wound Healing Society. Member of the scientific committee of the first (2011) and second (2012) Spanish Wound Healing Meeting.
- Member of the Spanish Surgeon Association.
- Member of the group of vascular surgery on behalf of the Spanish Surgeon Association.
- Member of the European Diabetic Foot Study Group on behalf of EASD.
- Local representative of the XI Meeting of the Diabetic Foot Study Group of the European Association of Study of Diabetes, Sitges 20-22 Septiembre 2013.

- Member of the Spanish Diabetes Association. Founder member and ex chairman of the Diabetic Foot Study Group on behalf of the Spanish Diabetes Association.
- Honorary Member of the Mexican Diabetic Foot Association.
- Assistant lecturer in the Health Science School, Las Palmas de Gran Canaria University.
- Collaborator lecturer in the Nursing Department, Complutense University, Madrid during different periods.
- Corresponding member of the International Working Group. Diabetic Foot working group on Infection 2011.
- Member of the board of the International Working Group on Diabetic Foot Infections 2015.
- International Scientific Advisory Board of the 7th International Symposium on the Diabetic Foot. The Hague, Netherlands, 2015.
- Member of the Association of Diabetic Foot Surgeons
- Member of the Editorial Board of the journals: "International Journal of Lower Extremity Wounds", "Diabetic Foot & Ankle Surgery", "Wound Medicine", "Clinical Research on Foot and Ankle" y "Spanish Chemotherapy Journal"
- Author of three Textbooks: "El pie diabético" (The Diabetic Foot) and "Atlas de Manejo Práctico del Pie Diabético" (Atlas of Practical Management of Diabetic Foot) and "Puzzling Cases in Diabetic Foot Infections".
- Author of 20 chapters in other textbooks.

- Lecturer about diabetic foot problems in more than 130 Spanish and International meetings.
- Author of more than 70 peer review papers dealing with diabetic foot.
- Collaborator on research and development projects dealing with diabetic foot problems in Costa Rica, Dominican Republic and Panama.
- His main research field is diabetic foot infections.

Speaker and Chairman

1. I National Simposium about Diabetic Foot. "Clinical Evaluation of Diabetic Foot".
Madrid, Spain 10/March/2000.
2. I "Diabetic Foot Course". University Clinic of Podiatry. Complutense University of
Madrid, Spain. 30 March-1 April 2001.
3. II Southern Diabetes Educator Meeting. Cadiz, Spain 17-19 May 2001.
4. "Educators and Comprehensive Management of Diabetic Foot Course".
Navacerrada, Spain 12-15 July 2001.
5. XXV Mexican Association of General Surgery Meeting. "Diagnosis Approach to
Diabetic Foot". Acapulco, Mexico 28 October-2 November 2001.
6. XXV Mexican Association of General Surgery Meeting. "The Septic Diabetic Foot".
Acapulco, Mexico 28 October-2 November 2001.
7. Postgraduate Course "Present Treatment of Diabetic Foot" during the XXV Mexican
Association of General Surgery Meeting. "The Septic Diabetic Foot". Acapulco,
Mexico 28 October-2 November 2001.

84. Speaker at “Corso avanzato teorico pratico di formazione e di aggonionamento per medici: New technologies and regenerative surgery in wound care. Advanced live Course”. Napoli 23-25 Febrero 2012. Ponencia “Esperienze personali nel trattamento chirurgico del piede diabetico infetto”.
85. Faculty of the Diabetic Foot Conference at the Renaissance Hollywood Hotel, Los Angeles, CA. March 15-17, 2012. Two lectures: Osteomyelitis in Diabetes: A Marrowing Experience No Longer? (or: When Diabetes Gives You a Bone Infection, Make Osso Bucco). ¡Toe-readores, Toe-le'! Taking the Foot by the Horns in the Operating Room (While Avoiding Bull).
86. Faculty of the XII “Diabetic Foot Course”. University Clinic of Podiatry. Complutense University of Madrid, Spain. 13-15 April 2012.
87. Faculty member of the Pisa International Diabetic Foot Courses. Management of the Diabetic Foot. Theory & Practice. 8-11 October 2012, Pisa, Italy.
88. Faculty of the course “Management of diabetes mellitus in Primary Care” with the lecture “Tenets of management of diabetic foot. Keys to reduce amputations”. Organized by Adigram and Canarian Gobernement. Las Palmas de Gran Canaria, 6-8 November 2012.
89. Faculty of the course “Multidisciplinary approach in Diabetes” organized by the Pharmacia College. Las Palmas de Gran Canaria, 19 November 2012.
90. Speaker in the Multidisciplinary International Limb and Amputation Prevention Conference. Sheraton Milan malpensa, 22-23 February 2013.
91. Speaker en el “Corso avanzato teorico pratico di formazione e di aggonionamento per medici: New technologies and regenerative surgery in wound care. Advanced

- live Course” (second edition). Napoli 14-16 Marzo 2013. Ponencia “Aspetti chirurgici nell’infezione del piede diabetico”.
92. Faculty of the XIII “Diabetic Foot Course”. University Clinic of Podiatry. Complutense University of Madrid, Spain. 26-28 April 2013.
93. Speaker at the 23rd Conference of the European Wound Management Association, EWMA 2013 meeting, 15-17 May 2013; Copenhagen, Denmark. “Diabetic Foot Symposium” with the lecture “International perspectives on implementation”
94. Chairman of the Key Session “Recent evidence – Vascularisation and amputation”. 23rd Conference of the European Wound Management Association, EWMA 2013 meeting, 15-17 May 2013; Copenhagen, Denmark.
95. Lecturer at the 5^o and 6^o International Course on advanced wound healing and negative pressure wound therapy at Ciudad de Panamá, Panamá, August 25-28, 2013 and Ciudad de Chitré, Panamá, August 28-31, 2013.
96. Speaker at the IV Spanish Multidisciplinary Diabetic Foot Meeting, Sitges 18-19 September 2013. Lecture: Anatomy of the infection in Diabetic Foot.
97. Speaker at the IV Spanish Multidisciplinary Diabetic Foot Meeting, Sitges 18-19 September 2013. Session “Osteomyelitis”. Lecture: Conservative Surgery in Diabetic Foot Osteomyelitis.
98. Chairman at the IV Spanish Multidisciplinary Diabetic Foot Meeting, Sitges 18-19 September 2013 in the following sessions: Peripheral Arterial Disease, Osteomyelitis, Presentation of the Translation of the IWGDF Consensus, Wound healing.

99. Speaker at the XI Diabetic Foot Study Group of the European Association of Study of Diabetes, Sitges 20-22 September 2013. Pro and Contra Session. Osteomyelitis in the ulcerated diabetic Foot. How to treat primarily? Surgical Therapy.
100. Faculty member of the Pisa International Diabetic Foot Courses. Management of the Diabetic Foot. Theory & Practice. 2-5 October 2013, Pisa, Italy.
101. Speaker at the XV Congresso APTFeridas. Porto, Portugal 21-22 November 2013. Controversies on the management of diabetic foot osteomyelitis.
102. Speaker at the Diabetic Foot Course organized by the Spanish Diabetes Association for training Endocrinology residents. Madrid 2014, February 8-9.
103. Speaker at the “Corso avanzato teorico pratico di formazione e di aggonionamento per medici: New technologies and regenerative surgery in wound care. Advanced live Course” (second edition). Napoli 27-29 Marzo 2014. Talk “Aspetti chirurgici nell’infezione del piede diabetico”.
104. Speaker at the “ICDF 2014 International Course on Diabetic Foot. Osteomyelitis in Diabetic Foot: medical and surgical treatments”. Florence (Italy). April 11-12, 2014; “The acute infected foot: is there a standard care?”
105. Chairman at the session “Therapy” at “ICDF 2014 International Course on Diabetic Foot. Osteomyelitis in Diabetic Foot: medical and surgical treatments”. Florence (Italy). April 11-12, 2014.

106. Speaker at the Satellite Symposium “Infection and conservative treatment in the diabetic foot: is it possible? With the talk “Conservative surgery of diabetic foot osteomyelitis. “ICDF 2014 International Course on Diabetic Foot. Osteomyelitis in Diabetic Foot: medical and surgical treatments”. Florence (Italy). April 11-12, 2014.
107. Faculty of the XIV “Diabetic Foot Course”. University Clinic of Podiatry. Complutense University of Madrid, Spain. 25-27 April 2014.
108. Chairman of the Session “Status on overall implementation of Diabetic Foot Guidelines in Spain” in “Diabetic Foot Day Symposium” . 24th Conference of the European Wound Management Association, EWMA-GNEAUPP, 14-16 May 2014; Madrid, Spain.
109. Chairman of the Session “Challenges Associated with Saving the Infected Diabetic Foot” in “Diabetic Foot Day Symposium” . 24th Conference of the European Wound Management Association, EWMA-GNEAUPP, 14-16 May 2014; Madrid, Spain.
110. Speaker at the Session “Challenges Associated with Saving the Infected Diabetic Foot” in “Diabetic Foot Day Symposium” . 24th Conference of the European Wound Management Association, EWMA-GNEAUPP, 14-16 May 2014; Madrid, Spain with the lecture “Limb salvage surgery for diabetic foot infections: When and how”
111. Speaker at the “Hands on D-Foot Workshop” organized by Kuwait Wound Care Society and Kuwait Medical Association. May 29-30, 2014; Kuwait. CME: 7 credits.
112. Speaker at the Updating Meeting. “Management of the diabetic foot with lesion”. El Panamá Hotel/24 December Regional Teaching Hospital. June 22-24, 2014. Panama City.

113. Speaker at the Updating Meeting. "Management of the diabetic foot with lesion". Bambito Hotel/Rafael Hernández Regional Teaching Hospital. June 25-27, 2014. Chriqui, Panama.
114. Faculty member of the Pisa International Diabetic Foot Courses. Management of the Diabetic Foot. Theory & Practice. 1-4 October 2014, Pisa, Italy.
115. Faculty member of "Diabetic Limb Salvage DLS 2014. Medstar Georgetown University Hospital". JW Marriott, Washington, October 9-11, 2014.
116. Speaker at the "First European Symposium on Diabetic Heart and Foot". Dogana Veneta, Lazise (Verona), Italy. 17-18 October, 2014.
117. Faculty at the 7th International Symposium on the Diabetic Foot. The Hague, Netherlands, May 20-23, 2015.
118. Faculty member of "Diabetic Limb Salvage DLS 2016. Medstar Georgetown University Hospital". JW Marriott, Washington, March 31-April 2, 2016.
119. Speaker at the VIII International Course of Advanced Wound Management. CMH Dr. Luis Chicho Fábrega, Santiago, Panamá. May 23-24, 2016.
120. Speaker at the IX International Course of Advanced Wound Management. El Panamá Hotel, Policlínica JJ Vallarino, Panamá City. May 26-27, 2016.
121. Speaker during the Month of Diabetes in Dominican Republic organized by "Carol Pharmaceutical" giving two lectures: 30/Agosto Santiago and 1/September Santo Domingo 2016.

122. Speaker at the second symposium of the Association of Diabetic Foot Surgeons, held in Stuttgart (Maritim Hotel), Germany, 8-9 September 2016. Session “Septic Surgery” and title of the talk “ Infected Bone. Always resect?”
123. Chairman of the Sesion “Wound management in diabetic foot”. “Gulf Diabetic Foot Conference 2017”, March 3.4, 2017. Doha. Qatar
124. Speaker at the “Gulf Diabetic Foot Conference 2017”, March 3.4, 2017. Doha. Qatar with the lectures: “Frequent mistakes managing diabetic foot”, “Conservative surgery of diabetic foot osteomyelitis and “Basis of surgical treatment of diabetic foot infections.
125. Chairman at the Symposium “Review and updating on the treatment of diabetic foot” during the meeting of the Spanish Foot & Ankle Surgeons Association, Las palmas de Gran Canaria, June 9, 2017.
126. Speaker at the Symposium “Review and updating on the treatment of diabetic foot” during the meeting of the Spanish Foot & Ankle Surgeons Association, Las palmas de Gran Canaria, June 9, 2017 with the lecture “Surgical approach of diabetic foot infections”.
