

A-DFS 2017 Scientific Programme

Association
of Diabetic
Foot Surgeons

Time	9 November 2017	Speaker	Room
08:00 – 10:00	A-DFS board meeting		Meeting room
10:00	Registration desk open		
10:00	Exhibition opens		Exhibition area
10:00-10:30	Opening lecture Chair: Armin Koller		Sala 3 and 4
	The increasing role of surgery in the management of diabetic foot	Luca dalla Paola	
10:30-12:30	Soft tissue infections Chair: John Giurini Discussants: Luca dalla Paola, Robert Frykberg		Sala 3 and 4
	Lecture: The biofilm and its role in the DF infections	Klaus Kirketerp-Møller	
	Recorded Live Cases: Treatment of acute forefoot infections	Javier Aragon Sanchez	
	Lecture: Will surgery replace antibiotics for DF infection?	Christopher Attinger	
	Lecture: Treatment of acute midfoot infections	Sigurd Kessler	
	Lecture: Strategies on international collaborations for DF treatment	Kristien van Acker	
	Recorded Live Cases: Treatment of acute hindfoot/ankle infections	Luca dalla Paola	
	Panel discussion		
12:30-13:30	Lunch		Exhibition area
13:30-14:30	Satellite symposium		Sala 3 and 4
14:40-16:40	Osteomyelitis Chair: Thomas Zgonis Discussants: Christopher Attinger, Luca dalla Paola		Sala 3 and 4
	Lecture: Is this bone infected or not?	Jose Luis Lazaro Martinez	
	Recorded Live Cases: Surgical approach on forefoot osteomyelitis	Giacomo Clerici	
	Lecture: What the DF surgeon needs to know about infection and antibiotics	Eric Senneville	
	Recorded Live Cases: Surgical approach on midfoot osteomyelitis	John Giurini	
	Lecture: NPWT, an indispensable tool in the reconstructive phase	Robert Frykberg	
	Recorded Live Cases: Surgical approach on hindfoot osteomyelitis	Luca Dalla Paola	
	Panel discussion		
16:40-17:15	Exhibition/break		Exhibition area
17:15-18:15	Satellite symposium		Sala 3 and 4
18:15-19:00	General assembly		Sala 3 and 4
19:00-20:30	Welcome reception Included in registration fee. Please note that the event is not a dinner		Exhibition area and terrace
Time	10 November 2017	Speaker	Room
09:00 – 11:00	Revascularization Chair: Mauro Gargiulo Discussants: Roberto Cioni, Alberto Cremonesi		Sala 3 and 4
	Lecture: The state of the art about the management of PAD	Mauro Gargiulo	
	Recorded Live Cases: The PTAs	Roberto Ferraresi	
	Lecture: Angiosomes and revascularization	Maarit Venermo	
	Recorded Live Cases: Ultradistal by-passes	Florian Dick	
	Lecture: How to assess cardiac risk factors in DF patients	Roberto Ferrari	
	Recorded Live Cases - Creative approaches	Daniele Adami	
	Panel discussion		

11.00-11.30	Exhibition/break		Exhibition area
11:30-12:30	Organization/setting/education Chair: Kristien van Acker Discussants: David A. Armstrong, Klaus Kirketerp-Møller		Sala 3 and 4
	Lecture: Is there an ideal setting for diabetic foot surgery?	Giacomo Clerici	
	Lecture: The time-dependent network for DF	Alberto Piaggese	
	Lecture: A new curriculum: the DF specialist	Armin Koller	
	Panel discussion		
12:30-13:30	Lunch/exhibition		Exhibition area
12:30-13:30	Poster session (abstract submissions) Chair: Robert Frykberg, David Armstrong		Exhibition area
13:30-14:25	Satellite symposium		Sala 3 and 4
14:30-17:00	Wound closure strategies Chair: Alberto Piaggese Discussants: Dane Wukich, Thomas Zgonis		Sala 3 and 4
	Lecture: Local flaps/skin grafts: Does function affect the reconstructive choice?	Christopher Attinger	
	Lecture: Bioengineered tissues and dermal substitutes: what's new?	Franco Bassetto	
	Recorded Live Cases: Application of dermal substitutes	Alberto Piaggese	
	Lecture: Local muscle and pedicle flaps for wound coverage	Thomas Zgonis	
	Recorded Live Cases: Pedicled flaps of the foot and ankle	Christopher Attinger	
	Panel discussion		
17:00-17:30	Exhibition/break		Exhibition area
17:30-18:30	Murphy's law session Chair: Javier Aragon Sanchez Discussants: Sigurd Kessler, Jan Rumbaut		Sala 3 and 4
	Mini lecture: "If anything can go wrong, it will"; the management of oddities and errors	Jan Rumbaut	
	Three cases badly ended, to be presented and discussed by three different KOL	Luca dalla Paola, Robert Frykberg, John Giurini	
18.30	Evening free		
19:30-24:00	Faculty dinner (by invitation only)		Venice
Time	11 November 2017	Speaker	Room
08:30 – 10:00	Oral presentations (abstract submissions) Chairs: Alberto Piaggese, José Lazaro Martinez		Sala 3 and 4
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
	Oral presentation	Speaker tba	
10:00-11:00	Satellite symposium		Sala 3 and 4
11:00-12:100	Lunch and Coffee		Exhibition area
12:00-14:30	Charcot - diagnosis and treatment Chairs: Robert Frykberg Discussants: Luca dalla Paola, Dane Wukich		Sala 3 and 4
	Lecture: Markers for the early diagnosis of the Charcot's foot	Nina Petrova	
	Recorded Live Cases: Midfoot Fusion	John Giurini	
	Lecture : What modern imaging may do for the diagnosis of the Charcot's foot	Virna Zampa	
	Lecture: Failed fixation for the Charcot foot/ankle and diabetic foot/ankle trauma	Thomas Zgonis	
	Lecture: Use of bone substitutes in Charcot Foot surgery	Dane Wukich	
	Recorded Live Cases: Surgical treatment of Charcot ankle	Dane Wukich	
	Lecture: New technologies for the diagnosis and treatment of Charcot foot	David Armstrong	
	Recorded Live Cases : Midfoot Charcot foot complicated by osteomyelitis	Robert Frykberg	

	14.00-14.30 A Duel: Internal vs external fixation	Duelists: Armin Koller, Venu Kavarthapu Referee: Robert Frykberg	
	Panel discussion		
14:30-15:00	Prizes: Poster presentation prize and Oral presentation prize		Sala 3 and 4
15:00-15:30	Results of the polls - Closing of the Meeting		Sala 3 and 4
15:30-16:00	New board meeting		Meeting room
