Chennai, India

ADFS Cadaver Course 2020 Anatomical and Surgical Dissection of the Foot

27th August 2020
Chennai, India

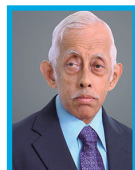

GREETINGS FROM THE ORGANIZING COMMITTEE

On behalf of DFSI and ADFS, we wish to invite you all for the most awaited 6th ADFS Annual Conference & 18th Annual Conference of the Diabetic Foot Society of India to be held at Sir Mutha Venkatasubba Rao Concert Hall, Chennai from 28th to 30th August 2020.

The conference aims to bring together all the specialities like General Surgery, Vascular Surgery, Plastic Surgery, Orthopedic Surgery, Medicine, Diabetology, & Physiotherapy under one roof with an objective to present, interact and practice the multidisciplinary approach to address the growing problems and manage those who render their valuable support to patients to prevent and treat the entire spectrum of diabetic foot.

This year we have around 25 international faculties from across continents. The three-day meet would be a perfect platform for the healthcare professionals to have an interactive session with the inspiring speakers and medical experts from across countries and exchange their learnings, thoughts, views and suggestions. Also, this gives an opportunity to understand the various dimensions of Diabetic Foot Complications. For registration, please feel free to connect with us. Dr. Rajesh Kesavan @ +91 9962400066, Mr. Shaju @ +91 9840407448 or register online @ www.adfs-dfsicon2020.com.

with warm regards,
